## Community News

Badin Volunteer Fire Department sports a new lighted sign built with financial help from the Town of Badin and Better Badin, Inc. The sign currently promotes the department's fund-raising Barbeque.

### Badin on the Move

Nuts and Bolts Mechanics is now open for business at 74 Pine Street

"We don't actually sell nuts and bolts," says owner Veronica Fobian, explaining the shop's name. "We certainly use them in our work. We're trying to help our community and the surrounding area with any and all automotive needs,"

Fobian and her husband are former long-distance truck drivers and are well-versed in auto mechanics. This is the fifth new business to open in Badin this year.

### New Principal for Badin School

Damon Rhodes is the new principal this year at Badin Elementary School.

Rhodes has been in education for 19 years, with 12 of those years as a principal. He has lived in Stanly County for 21 years. He is married to Leslie and they have three children: Kendrick (17), Emma (12), and Kyle (6). Rhodes has a Bachelor's Degree from UNC, Chapel Hill and a Master's Degree from UNC Charlotte.

## Badin Inn and Golf Club Closed

The Badin Inn and Golf Club is closed. Un-named sources state that the closure is due to a transition of ownership that is under way. The course superintendent and staff are maintaining the course so it will be

ready for play when the time comes. The source states that things will get back to normal soon and asks for patience from everyone.
